

Fiat Classical Academy, a private Catholic high school opening to 9<sup>th</sup> and 10<sup>th</sup> grade students in August 2024, is now hiring faculty for its inaugural year.

Inspired by the joy and hope of St. John Paul II, Fiat Classical Academy offers young men and women an encounter with the one, true, good and beautiful through a liberal arts education which cultivates communion with God as we seek together the face of Christ. FCA's four educational pillars in teaching the art of being human are cultivating wonder, encouraging encounter, fostering integration, and seeking excellence.

Ideal candidates are passionate, creative, dedicated, disciplined and knowledgeable. They should have a desire to be an ongoing student, both in content and classical pedagogy. Inaugural FCA faculty will give life to the curricular expectations created by the founding team. Teachers should desire a collaborative relationship with other faculty members, including regular conversations and communal gatherings with one another.

Positions have been filled for 2024-2025 with the exception of Fine Arts (drawing, sculpting, painting, etc.) This class will meet once per week for a 90-minute period.

At this time, no non-teaching positions are available. If and when this changes, our Employment Opportunities page will be updated.

Applicants must be practicing Catholics who love the Faith and whose lives are a witness to students, families and the surrounding community.
