

Science Job Description

Fiat Classical Academy is a private Catholic high school located in Aurora, Indiana, close to Cincinnati, Ohio. We will be entering our second year as a school and therefore we are adding our 10th grade curriculum and hiring teachers accordingly. Join us and be a part of our growing team of classical Catholic educators for the 2025-2026 school year!

Mission and Vision: Inspired by the joy and hope of St. John Paul II, Fiat Classical Academy offers young men and women an encounter with the one, true, good and beautiful through a liberal arts education which cultivates communion with God as we seek together the face of Christ. FCA's four educational pillars in teaching the art of being human are cultivating wonder, encouraging encounter, fostering integration, and seeking excellence.

We are looking for a part-time (or full-time, if the candidate can teach other courses) **Science Teacher** to join our committed team. The position is teaching Ohio Valley Natural History and Introductory Physics.

Candidates: Ideal candidates are passionate, creative, dedicated, disciplined and knowledgeable. They should have a desire to be an ongoing student, both in content and classical pedagogy. Teachers should desire a collaborative relationship with other faculty members, including regular conversations and communal gatherings with one another.

Applicants: We are seeking applicants who are practicing Catholics, who love the Faith, and are willing to take an Oath of Fidelity to the Magisterium whose lives are a witness to students, families and the surrounding community.

Requirements: A bachelor's degree in related field of study (or work experience in that field). Teaching experience would be preferred but not required. Training in classical pedagogy will be given to all new faculty.

Please send a resume and cover letter with three references to the Headmaster, Adam Iadipaolo, at aiadipaolo@fiatclassicalacademy.org, or by mail to PO Box 63, Aurora, Indiana 47001.
